4 Key Points on Why Our Counter-Mount Dispenser Is the *Industry Leader*

Game Changing Features & Patented Technology

Compared to other dispensers it will reduce upkeep costs while making maintenance easier than ever. Innovation meets convenience for your needs.

Ask us for a live install demo!

Low Soap Cost, Better Features

1.6 Liter high capacity with an unbeatable price and convenience.

Also 100% Recyclable, no metal parts!

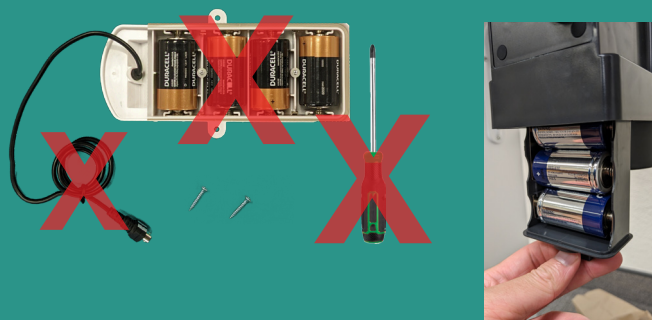

Our patented tubeless design means no more 'threading the needle' each time to refill our dispensers

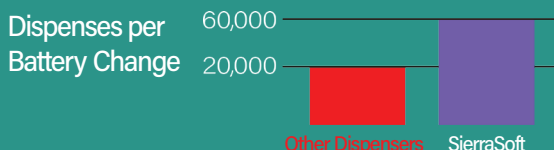

Reduces the maintenance time and frustration of refilling traditional counter mount systems

Battery - Energy Saver!

Changing batteries is easier than ever
No tools required and no mounting necessary

Uses only 3 'C' Batteries

Tool-Less Installation

No tools needed - easy installation!
Retrofits into standard 1" hole
