Green Seal Certified

Key Points on Why Our Counter-Mount Dispenser Is the *Industry Leader*

Game Changing Features & Patented Technology

Easiest dispenser to install and refill.

Our Toolless and Tubeless refill counter mount dispenser is game changer to the hand soap industry.

Environmental Benefits

1.6 Liter high capacity with an unbeatable price and convenience.

Also 100% Recyclable, no metal parts!

Our patented tubeless design means no more 'threading the needle' each time to refill our dispensers

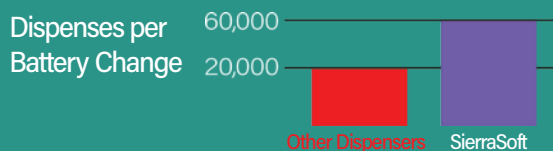

Reduces the maintenance time and frustration of refilling traditional counter mount systems

Battery - Energy Saver!

Changing batteries is easier than ever
No tools required and no mounting necessary

Our Counter mount dispenser offers 40,000 pumps with only 3 C Batteries

Power savings unmatched by any other brand dispenser

Tool-Less Installation

No tools needed - easy installation!
Retrofits into standard 1" hole

Strong and Durable Design

The lifetime of our dispenser is 150,000 dispenses and features an elegant high-end design for any facility

Revolutionize your restroom with our counter mount foam dispenser—featuring the lowest refill prices in the U.S., unmatched power efficiency, and a toolless, tubeless refill system that’s changing the industry.

With 40,000 dispenses on just 3 C batteries, a rugged 150,000-use lifespan, eco-friendly design, and free nationwide shipping, it's the smartest, most cost-effective upgrade you can make.
